			<ul style="list-style-type: none"> Johnstone's Trade Ultra Last Matt is a premium quality scuff resistant, matt wall paint that is stain resistant and can be easily cleaned. The scuff resilience makes it long lasting and perfectly suited for high footfall areas, commercial environments, and public buildings. The low emission levels mean that UltraLast Matt has a reduced impact on indoor air quality. 	<ul style="list-style-type: none"> Long-lasting Finish 	<ul style="list-style-type: none"> Compared to standard paint products, Johnstone's Trade UltraLast Matt paint may have a higher upfront cost due to its advanced formula and superior performance. 				10L	150m ²	£157.13	123.05	
Johnstones Trade	Air Pure Matt		<ul style="list-style-type: none"> Suitable for Blockwork / Brickwork, Cement render, Concrete, Plaster, Plasterboard, Primed substrate, and Wallboards. 	<ul style="list-style-type: none"> It offers a durable, washable finish, ensuring longevity and easy maintenance of painted surfaces. 	<ul style="list-style-type: none"> Only available in 5L 	Water-Base	Low Sheen Level	4 Hours (Re-Coat)	5L	55m ²	£146.95	£104.78	
			<ul style="list-style-type: none"> Johnstone's Trade Air Pure Matt is an air purifying wall and ceiling paint that improves indoor air quality. Air Pure Matt is formulated with a bio-based binder and contained in 100% recycled packaging, making it the perfect paint for sustainable projects. 	<ul style="list-style-type: none"> One of the main advantages of Johnstone's Trade Air Pure Matt is its ability to actively reduce formaldehyde levels in indoor spaces, contributing to a healthier environment. 	<ul style="list-style-type: none"> Compared to standard paint options, Johnstone's Trade Air Pure Matt may be more expensive due to its specialized features for improving indoor air quality. 								
Johnstones Trade	Covaplus Vinyl Matt		<ul style="list-style-type: none"> Suitable for Blockwork / Brickwork, Cement render, Concrete, Plaster, Plasterboard, Primed substrate, and Wallboards. 	<ul style="list-style-type: none"> A durable finish that is resistant to scuffing, staining, and general wear and tear. This makes it suitable for high-traffic. 	<ul style="list-style-type: none"> Depending on the location and availability, Johnstone's Trade paints, including Covaplus Vinyl Matt, might be priced higher compared to some budget paint options. 	Water-Base	Low Sheen Level	1-2 Hours (Touch-Dry) 2-4 Hours (Re-Coat)	1L	17m ²	£23.28	£14.56	
			<ul style="list-style-type: none"> Johnstone's Trade Covaplus Vinyl Matt is a high-quality matt emulsion that is suitable for all interior walls and ceilings. Its superior opacity gives great hiding power, making it easy to cover surfaces. The product has outstanding coverage which means it goes further, so less paint is required. 	<ul style="list-style-type: none"> Covaplus Vinyl Matt often offers good coverage, requiring fewer coats to achieve the desired opacity 					<ul style="list-style-type: none"> Quick Drying 	2.5L	42.5m ²	£35.54	£24.23
			<ul style="list-style-type: none"> Smooth Finish 	5L					85m ²	£47.93	£35.27		
Johnstones Trade	Cleanable Matt		<ul style="list-style-type: none"> Suitable for use on wallboards, concrete, brickwork and blockwork in internal situations, as well as primed wood and metal. 	<ul style="list-style-type: none"> Cleanable Matt typically offers good coverage, requiring fewer coats to achieve the desired opacity compared to some other paint brands. 	<ul style="list-style-type: none"> Depending on the location and availability, Johnstone's Trade paints, including Covaplus Vinyl Matt, might be priced higher compared to some budget paint options. 	Water-Base	Low Sheen Level	4 Hours (Re-Coat)	2.5L	37.5m ²	£48.55	£37.04	
			<ul style="list-style-type: none"> The tough matt emulsion offers superior clean-ability with excellent stain resistance and high durability, designed for busy and high traffic areas which require frequent cleaning, extending maintenance cycles. 	<ul style="list-style-type: none"> Easy Clean Technology prevent stains seeping into the paint and makes removing stains and marks easier from the painted surface with soap, water and a soft cloth for up to 10,000 scrub cycles. 					5L	75m ²	£85.61	£63.89	
									10L	150m ²	-	£148.28	
Johnstones Trade	Perfect Matt		<ul style="list-style-type: none"> Suitable for Blockwork / Brickwork, Cement render, Concrete, Plaster, Plasterboard, and Primed substrate 	<ul style="list-style-type: none"> Perfect Matt typically delivers a smooth, even finish with a flat or matte appearance, providing an aesthetically pleasing look to painted surfaces. 	<ul style="list-style-type: none"> Depending on the location and availability, Johnstone's Trade paints, including Covaplus Vinyl Matt, might be priced higher compared to some budget paint options. 	Water-Base	Low Sheen Level	2-4 Hours (Re-Coat)	2.5L	32.5m ²	£56.23	£42.55	
			<ul style="list-style-type: none"> Johnstone's Trade Perfect Matt eliminates the impact of visible application marks highlighted by critical lighting and the extra time it takes to resolve them. The innovative Smooth Layer technology ensures that Johnstone's Trade Perfect Matt creates a flawless finish with ease on even the most challenging projects, allowing you to work stress-free. Ideal for use in areas where critical lighting and site conditions could combine to create an issue, our Perfect Matt is class 1 scrub tested and is available in a vast range of colours via the Johnstone's tinting system and can provide effortless spot repair. 	<ul style="list-style-type: none"> Perfect Matt is often formulated to be durable, with resistance to scuffing, staining, and general wear and tear. This ensures that the painted surfaces maintain their appearance for an extended period. 					5L	65m ²	£90.11	£70.91	
									10L	130m ²	£155.98	£123.96	
Johnstones Trade	Stain Away Matt		<ul style="list-style-type: none"> Suitable for Blockwork / Brickwork, Cement render, Concrete, Plaster, Plasterboard, and Plasterboard 	<ul style="list-style-type: none"> Stain Away Matt is formulated to resist various types of stains, including water-based stains, oil-based stains, and even more stubborn substances like marker pen and crayon marks. 	<ul style="list-style-type: none"> Depending on the location and availability, Johnstone's Trade paints, including Covaplus Vinyl Matt, might be priced higher compared to some budget paint options.
